

Companions of Pauline

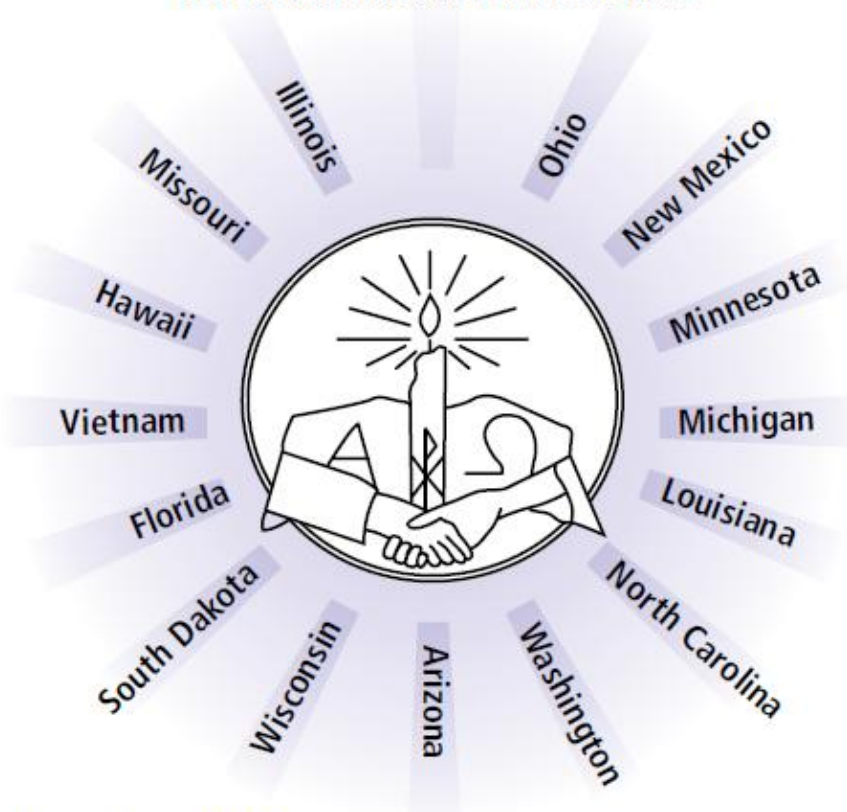

A Commitment ...

Text by Sr. Anastasia Sanford, SCC & Sr. Virginia Kuhn, SCC

Our Congregation ... strives with all its strength to serve all people and to be and ever remain a living, fruitful branch on Christ the Vine. It exclusively and directly pursues charitable works that serve the needs of the Church and the common good. (Constitutions of the Sisters of Christian Charity, Article 3.) Assisting the Sisters are the Companions of Pauline.

There are two types of Companions: Prayer and Active. The Prayer Companions offer daily prayers for the Sisters and those served by their ministries. The Active Companions volunteer their assistance in all facets of parish ministry: lectors, RCIA, Legion of Mary, ministry to the home bound... the list is a page long. They also assist in hospice work, vocation promotion, Meals on Wheels, hospital visiting and anywhere else a helping hand is needed. Of course, many Companions know well the SCCs living at Sacred Heart Convent in Wilmette, IL; daily their smiling faces are seen as they visit with the Sisters and quietly assist wherever needed.

From its beginning in 1988, with 14 members from Illinois, membership in the Companions of Pauline has grown to 150 men and women in fourteen states and two countries.
